

2021 Independent Electrical Contractors Convention & Expo

Introduction to the Electrical Industry Why YOU Should Consider an Electrical Career

October 8th, 8:30-10:30 AM
Colorado Convention Center in Denver

This October, Independent Electrical Contractors from around the country will join together for the 2021 IEC Convention & Expo. On Friday, October 8, High School students are invited to attend an illuminating Electrical Expo to see cool cutting-edge technologies, meet with exhibitors and industry experts, and participate in hands-on demonstrations.

All high school attendees will be entered into a special grand prize drawing!

WHY: The electrical trade is one of the most highly skilled and highest paid professions in the construction industry with a continual demand for new electricians.

WHO: For students who have an interest in working with their hands, learning lifelong skills, and a great paying career. In the meantime visit MyElectricCareer.com to learn more.
